

Sudanese President: Mossad And CIA Behind Boko Haram And Islamic State

But then why should he oppose fighting the Islamic State, if it a creature of the CIA and the Mossad? He doesn't explain. His crazed conspiracy-theorizing is not his alone; anyone who follows the remarks of Muslim clerics, jouranalists, diplomats, rulers knows that such craziness, such an inability to see things truthfully, to see what Islam does and is, is widespread, is nearly, in fact, universal in societies suffused with Islam. For a non-Muslim, no matter how many times you encounter examples of this, it remains hard to believe.
