

Support the "Draw Mohammed" Cartoon Exhibition in London!

In September 2015 Sharia Watch UK, Vive Charlie and Liberty GB will host the UK "Draw Mohammed" cartoon exhibition in central London. The event has been organised in honour of the cartoonists, bloggers and artists around the world who risk their lives in defence of free expression, and of those who have been murdered in this cause.

The organisers are delighted to announce that Geert Wilders, leader of the Dutch Freedom Party, will speak at the event.

Anne-Marie Waters, Director of Sharia Watch UK <http://www.shariawatch.org.uk/> said: "It is vital, in this era of censorship and fear, that we stand together in defiance and demand our right to free expression. We will not, and cannot, succumb to violent threats. The outlook for our democracy depends on the actions we take today. We owe it to future generations to pass on the freedom we have enjoyed."

To help make this event take place, we welcome your donations, large or small. Help us defend freedom of expression in Britain!
