SWAT Team Kills Somali Suspect Who Took Hostages at Amarillo WalMart

He took his co-workers hostage for a time. Watch this story disappear — classified as "workplace violence." I'm old enough to remember a when workplace violence meant fisticuffs in the parking lot.

> A SWAT team shot and killed a suspect who took hostages at a Walmart in Amarillo, Texas Tuesday afternoon, investigators confirmed.
>
> The Randall County Sheriff's Office announced the gunman was dead. City officials first reported an "active shooter incident" at 12:30 p.m. local time.
>
> We do consider this a work-place violence situation at this point," the sheriff's office said. One store employee [told KVII](#) an employee took another employee hostage.
>
> Police said they were looking for a Somali man wearing khaki pants, KFDA added. Officers reportedly were evacuating shoppers from the west side of the store in the Texas Panhandle.
