

Terrorists Burn Down Bethlehem Church, Palestinian Authority Blames 'Electrical Malfunction'

[Facebook](#). Naddaf called on Palestinian Authority Chairman Mahmoud Abbas to handle the matter with the same "seriousness and severity" that the Palestinians appear to demonstrate when investigating incidents that occur inside of the State of Israel.

Christian leaders in Bethlehem joined Naddaf in condemning the Palestinian Authority—who blamed the fire on an "electrical malfunction."

"The [Palestinian Authority] tries to sweep these incidents under the rug but it never condemns these acts, which interfere with freedom of religion," An unidentified Christian leader told
