

The Elephant In The Room Of Trump's Anti-Narcotics Mission

by Steve Hecht

DRUG ROUTES IN MEXICO

The flow of illegal immigrants and contraband – drugs and military-grade [opioid addiction crisis](#) and “vowed to step up efforts to stop drugs from being smuggled into the U.S.” William Brownfield of the Bureau of International Narcotics and Law Enforcement Affairs has [destroyed](#) 25,960 hectares of plants, almost the entire estimated 28,000. In contrast, the Obama policy in Guatemala, which undermined the rule of law, led to open and expanded [poppy-growing](#).

An anti-narcotics expert, speaking on condition of anonymity, says “When the [UN-identified](#) production hotbed in Latin America. As with underground persons and contraband moving by

land, heroin passes through [intervened](#) to install and protect the successors of the Fidel Castro-supported insurgents in Guatemala's armed conflict (1960-1996). Hillary Clinton had an attorney general [pressured](#) then-President Otto Pérez to reappoint Paz y Paz.

When that failed, Obama [Alliance for Prosperity](#), to “address the key factors ... contributing to the migration of unaccompanied, undocumented minors to the United States.”

With Alliance money as leverage, Vice President Joe Biden ([Cicig](#)), with a UN-appointed commissioner. US Ambassador Todd Robinson and Cicig Commissioner Iván Velásquez then kept the [pressure](#) Guatemala's Congress to change its Constitution. The proposals violate terms of the Alliance for Prosperity, give the radicals more control over the judiciary, and [portrayed](#) Velásquez and Aldana in [Committee of United Campesinos](#). These groups [attack](#) development projects and legitimate authorities – opening the door for extortion in urban areas and drug trafficking – greatly outweighing any successes they can cite.

Homeland Security Secretary John Kelly has [assured](#) by Obama's policies, provides a convenient land route for them and for illegal drugs and illegal migrants.

Immediately [Daily Caller](#).
