

The Golan Ablaze: Are Hezbollah and Iran Behind It?

by Jerry Gordon and Ilana Freedman (February 2015)

The Golan is suddenly ablaze with rocket and anti-tank missiles launched from Lebanon and Syria incurring IDF casualties. *Israel Hayom* reported on January 28, 2014, [“Hezbollah missile hits IDF vehicle; casualties feared”](#):

Overnight, IAF struck several military targets in Syria in response to four rockets fired from Syria into Golan Heights on Tuesday. Prime Minister Benjamin Netanyahu said, “We will respond with force against those who try to challenge us.” [more>>>](#)
