

The NeverTrump Movement Joins the Clinton Campaign

by Rebecca Bynum (August 2016)

The NeverTrumpers' foreign policy division has joined with Hillary Clinton in her effort to defeat Donald Trump. 50 former members of Republican Administrations' Past have decided *not* to critique Trump's actual foreign policy proposals as laid out in [his speech](#) of April 27th – a speech remarkable in its insight and strategic vision – but to ostentatiously [announce they would not vote for Donald Trump](#) based on his “temperament” – a page directly taken from the Clinton campaign's playbook.
