

The Pope's Vital Visit to America

by **Conrad Black** (October 2015)

Pope Francis's visit to Cuba and the United States last week was another tour de force, and he remains the supremely agile and likeable incumbent on a high-wire where he is admired by a full range of Catholic opinion, enjoys great popularity generally, and continues to leave the anti-Catholic Western media and conventional adherents to the multi-state established religion of atheism mute and gape-mouthed in their inability to torment him and his institution, as they did his predecessors, as an anachronism.
