

“The Tongue is Also a Fire”: The Left, Madness, and Manners

by James Como (May 2015)

“Wait, hold on here. Is this a barbershop? If we can’t talk straight in a barbershop, then where can we talk straight? We can’t talk straight no where else. You know, this ain’t nothin’ but healthy conversation, that’s all. . . . nobody is exempt in the barbershop.”

– Eddie the Barber, *Barbershop*

First, the disease. [more>>>](#)
