

The Wonderful Inventiveness of Buster Keaton

Joseph Frank "Buster" Keaton (October 4, 1895 – February 1, 1966) was an American actor, comedian, film director, producer, screenwriter, and stunt performer. He was best known for his silent films, in which his trademark was physical comedy with a consistently stoic, deadpan expression, earning him the nickname "The Great Stone Face."

This is my tribute to the great Buster Keaton who seem to risk it all for the sake of comedy. No CGI or blue screen. This man did it for real.

Music by Philip Glass.
