

# Trump Hatred, the Third Act: a Political Hit Job Fulfilling a Campaign Promise

by Conrad Black

New York Attorney General Letitia James

The battle to bury [Letitia James](#), was elected on her endlessly repeated promise to indict then President Trump. The other attempts to rid themselves of Donald Trump having failed, Ms. James has advanced to the front rank of the Trump assassination squad by publicizing the fact that the long-standing investigation into Trump and his business interests is now a criminal investigation.
