

Valls Is Wrong: It's Not Apartheid, But Muslim Hatred Of Non-Muslims

Muslims have no desire to mix with non-Muslims. They are not forbidden from doing so. They are encouraged by the French state, in every way, to do so. In the public schools of France, it is the Muslim students who bully, torment, and terrify the non-Muslim students, whenever the Muslims are more than a handful. They also scare the teachers, even the proviseurs (principals), if what is assigned – say, the Crusades, or the Enlightenment, or World War II (with its possible sympathetic mention of Jewish victims of the Nazis and their European, including French, collaborators).

It is Islam that divides the world between Believer and Unbeliever, between Dar al-Islam and Dar al-Harb.

It is Islam's holy book, the Qur'an, that contains verses telling Muslims to beware of, to fight against, non-Muslims.

Here are just a few of those passages in the Qur'an:

3:28 Let not the believers take disbelievers for their friends in preference to believers.

3:118 Take not for friends, other than Muslims as they will spare no pains to ruin you.

4:144 Choose not disbelievers for (your) friends in place of believers.

5:51. Don't take Jews or Christians for friends. If you do, then Allah will consider you to be one of them.

60:13. Don't be friends with those who disbelieve in the Hereafter. They are Allah's enemies.

98:6 Those who disbelieve (...) are the worst of created beings.
