

What's Up At The Farthest Mosque: Wage War On America And Kuffar Everywhere

[Sheik Ahmad Al-Khadwani, at Al-Aqsa](#), urging Muslims to wage war on America and kuffar everywhere. But they already are. Perhaps he wants Muslims to put more emphasis on *qital*, combat, and on terrorism, rather than relying on such other instruments of Jihad (best defined as “the struggle to remove all obstacles to the spread, and then the dominance, of Islam”) as propaganda (“Jihad of the pen, tongue), economic warfare (“Jihad of wealth”), or the newest instrument, and the most dangerous, demographic conquest from within.
