

Who Can Save Us From Western Civilisation?

by **Fergus Downie** (February 2016)

Vanity made the revolution. Liberty was only a pretext. – Napoleon

For the poor, every meal is a triumph and to struggle for your daily existence is to live without the brooding sense of futility that haunts intellectuals, and, for all the lip service paid to the Proletarian spectre, it has always paled beside the mass expansion of higher education as a revolutionary force.
