

Why Did Al-Shabaab Mention The Mall Of America? Because It's In Minneapolis, Somali Capital Of America

And Minneapolis has the most Somalis of any city in America. The most Somalis, the most followers of Al-Shebaab. That shouldn't be hard to understand.

Meanwhile, [nearly a 1000 Somalis are still be admitted to this country every month](#). Why? On what theory? The more Muslims the more Muslim terror. The more Muslims, the more people pushing Jihad – that is, the struggle to remove all obstacles to the spread, and then the dominance, of Islam, all over the world – within the very West, even if by non-violent means. This too, should not be hard to understand.
