Why I am Voting for Trump

Unattributed

Someone recently asked me why I like Trump. My answer was that I don't really like a lot of things about Trump.

But this election is not about choosing the most likeable person.

We are voting between two vastly different ideologies. We are voting for the country we want to leave our children and grandchildren.

Trump represents that future and has proven that he can deliver. He is a patriot to the core and even served his country for 4 years without pay.

That moment when someone says,

"I can't believe you're voting for Trump". I simply reply,

"I'm NOT voting for Trump."
