

Why Israel Has Not Yet Recognized the Armenian Genocide, and Why It Should Now

by Hugh Fitzgerald

One country, Israel, whose people are intimately familiar, as victims, with genocide – with the greatest of all genocides, the Holocaust – refuses until today to recognize the Armenian Genocide. Now that America has done so, it's even more important for Israel to follow suit. "Why has Israel not yet recognized the Armenian Genocide?," by Jeremy Sharon, [Jihad Watch](#).
