

Why Won't Pamela Geller Behave?

by **Lorna Salzman** (June 2015)

Thought Precedes Action. Sometimes it is just speculation or daydreaming or what precedes a work of fiction, a conversation or mere opinion. It is a fundamental characteristic of the human species. Those who would ban the expression of "hurtful," disrespectful, controversial or dissenting views are those who believe in Thought Control. Like pornography, defamation is in the eyes of the beholder. [more>>>](#)
